Cleveland Baseball Academy Indoor Baseball Fall Volume 1

The Cleveland Baseball Academy will be offering indoor baseball leagues at our home location the Lost Nation Sports Park in Willoughby, Ohio. The CBA, established in 1993 instructs young baseball players on the fundamentals of the game. The Indoor baseball is a great way for the players to practice their skill in a semi controlled environment. This helps break bad habits as well as gets the players the necessary reps to stay sharp. Greg Sidoris, director and owner of the academy is the commissioner of the Indoor Baseball League. Greg & his staff coordinate the Indoor baseball league. This program is for baseball players of all levels with the focus on hitting, fielding, catching, throwing, pitching, catchers techniques, base running, rule interpretations. This program has been a players choice for over 12 years. We at the Cleveland Baseball Academy take pride in teaching the youth of the world the sport of baseball through sportsmanship, hard work, fundamentals, hustle, team work along with a winning attitude. We offer Private Lessons, Baseball Camps, Clinics, Indoor baseball Leagues, Summer Baseball Team Training, off season workouts & consulting.

We appreciate your patronage ! Greg Sidoris
