

Sand Soccer is the newest outdoor soccer league in Northeast Ohio. Introduced by the Lost Nation Sports Park, it incorporates the great game of soccer in a new summer atmosphere. The game is played outside, under the lights in a sand soccer court. This is a great way to be with friends, enjoy food, beverages and the great nights of summer! Adjacent to the sand soccer area is an outdoor patio operated by The Players Cub Bar and Grill for your enjoyment. Come join the LNSP SAND SOCCER LEAGUE!
