

General Skills Camp

July 27 - 29 • 9 AM to 1 PM

Have you had limited volleyball experience or never played volleyball before and would like to learn? This camp is for you! With the outgoing coaching staff available, you are guaranteed to leave with an understanding and love for the game.

This camp is also very good for those of you in elementary school that are looking to freshen up on your volleyball skills before the season starts. In this general skills camp, our goal is to help you get into the volleyball mode so you can show off your talent when the time comes.

Specific Elite Camp

July 30 - 31 • 9 AM to 1 PM

If you are a 7th to 10th grade setter or hitter and want to give yourself that extra edge to be one step ahead, register for this camp. You will be divided up into specific skills and be given a coach that is eager to pass along tips they learned from years of playing experience. There are always new tricks and skills that can set you apart from the pack.

Coaching Staff

The camp coaching staff (headed by Annie Zakelj, former middle hitter from Kent State University) is comprised of Northeast Ohio's top collegiate volleyball players and other Northeast Ohio volleyball experts. This camp provides your daughter with a unique opportunity to learn from some of Northeast Ohio's local best. We are here to give back to the local youth volleyball programs, in a challenging yet fun instructional environment.

If your daughter has aspirations of playing high school or college volleyball, our camp provides her with the perfect chance to meet individually with our coaching staff and get feedback from them on their personal experiences, as well as practical advice and helpful hints on what it takes to develop her talents.
